RESPONSES RECEIVED AS A RESULT OF THE ARTICLE IN THE OCTOBER EDITION .

The article started with a headline "Your Church needs your help!" The response was very heartening. A local Carlton Le Moorland resident made contact and volunteered her help with looking after our church. Someone else has given us a nearly new fridge and another local resident has volunteered to make a ramp to make it easier for people to move between the main body of the church and the chancel area.

If you can help in any way, please make contact. You do not have to be a church goer; the church belongs to our community and you will always be welcome.
